Happy Canada Day!

On this day of celebration, let us count our blessings to be living in Canada, a country that exemplifies the best of diversity and democracy. Please find attached our June News Bulletin highlighting this month's key events in photos. June also marks the end of the 41st Session of Parliament, a period of time in which several historic milestones were achieved. June 25th also began the 65th anniversary of the Korean War years. With deep gratitude and respect, let us honour all those whose service and sacrifice have blessed us so richly today. We will remember them. Nous nous souviendrons d'eux.
