The Senate rose on June 22nd after a very intense and busy spring sitting with complex legislation that tested our limits as individual Parliamentarians and as an institution. June included many events, including several commemorative events to mark the 66th anniversary of the outbreak of the Korean War (June 25th). For the second year, on this significant day, the Korean War Veterans of Canada Scholarship was announced in honour of all those who served and sacrificed in the Korean War. Eligible applicants (post-secondary students who are related to a Korean War veteran) can enquire about the scholarship by contacting kwvcscholarship@gmail.com.
