Greetings from the Senate of Canada!

May was an event-filled ultra-productive month, as we began and ended the month in celebration of the proud legacy of Asian Canadians throughout our history and to this day. Special thanks to the Embassy and the Consulates of Korea and to the Korean communities across Canada for contributing to the success of the month. I was also proud to host our CPC National Policy Convention in Vancouver and showcasing the best of the west coast to thousands of delegates from across Canada.

Let us all take pride in Canada's democracy and diversity, a true model for the world.
