Sincere Greetings!

October has been an event-filled month that included many special events, including the awarding of the newly established Korean War Veterans of Canada Scholarship to 5 descendants of Korean War veterans; the launch of the Amenida Seniors Program (similar to our long-established George Derby Seniors Program); the dedication of a special Memorial Stone (in Pitt Meadows, BC) in honour of our Veterans; and of course, the October 19th federal election which resulted in a change of Government for the next Parliament. On that note, please know that my staff and I will continue to serve you to the best of our abilities as we have done to date. You have our unwavering commitment to do so.
